Technically, he's in OPS now but his role is to coordinate this with Alex and OMB, and he'd likely be checking on our availability when a meeting starts to come together. I had heard from staff yesterday that Peter thought Alex might want a meeting with the team before she meets with OMB at her level. I have to reach out to Peter on another issue and will ask about this if I connect with him.

Just for your awareness in Mark's absence. I haven't heard if any meetings, either with Alex or with OMB, have been scheduled yet.
